

JOB PROFILE

DATE: February 8th, 2019
POSITION: Senior Production Coordinator
STATUS: REGULAR, FULL-TIME, Monday to Friday
LOCATION: Richmond, B.C

Hemlock Harling Distribution is a BC-based, rapidly growing company specializing in data-driven marketing, postal and third-party distribution solutions to a diverse range of clients throughout North America. We are an equal partnership of Hemlock Printers, a recognized North American print industry leader based in Burnaby, BC, and Harling Direct, a prominent postal services and fulfillment provider with facilities in Montreal and Toronto.

Our need for experienced Production Coordinators is growing as we onboard new clients who require efficient, professional and high-quality mail and distribution services for a range of products. If you are looking for a long-term career, with a well-established company where you learn new skills in a high growth industry, then this is your opportunity.

Hemlock Harling proudly operates from a dedicated 40,000 square foot state of the art facility in Richmond, BC. Our experienced team of close to 50 staff members are committed to providing exceptional service to our customers, while driving continuous improvement in our processes and technologies.

The successful candidate will be customer-service focused, detail oriented, and comfortable with a fast-paced environment with tight deadlines. This is a permanent, full time position offering a competitive wage, excellent benefits and career growth opportunities.

Core Responsibilities:

- Provide dedicated support to Hemlock Harling Account Directors
- Receive and translate order information for use by our data and production teams
- Coordinate all necessary resources to meet client timelines requested
- Receive estimate requests and create job quotes
- Provide exceptional customer service to both internal and external clients
- Deliver periodic reports to customers as required
- Solve problems and provide constructive solutions in a timely manner
- Collaborate with the Hemlock Harling Sales Team and Production Team members on the development and implementation of service improvements

Other requirements for this position include:

- Through understanding of Canada Post and USPS mailing regulations
- Excellent customer service skills
- Excellent written and verbal communication skills
- Experience and proficiency with computers including MS Outlook, Word and Excel
- Ability to manage projects under tight deadlines

- Ability to multitask and move efficiently between different responsibilities
- Ability to work cooperatively as a team member
- Print knowledge, from design through to the bindery process, an asset
