

Print & Mail Equipment Operator

Job Description

Hemlock Harling Distribution provides data-driven marketing, postal and third-party distribution services to a diverse range of clients throughout North America. We are an equal partnership of Hemlock Printers, a recognized North American print industry leader based in Burnaby, BC, and Harling Direct, a prominent postal services and fulfillment provider with facilities in Montreal and Toronto.

We proudly operate from a dedicated 40,000 square foot state of the art facility in Richmond, BC. Our experienced team maintains a dedication to accuracy, reliability and continuous innovation.

We have an exciting opportunity for someone with a positive, can-do attitude. The successful candidate will be well organized, focused on detail and able to work within a fast-paced environment under tight deadlines. This is a permanent, full time position offering a competitive wage and excellent benefits.

We are seeking a day shift Print & Mail Equipment Operator to join our team at our busy Richmond plant.

The Print & Mail Equipment Operator will be responsible for the operation of folders, high speed inserting equipment with computerized camera matching systems, inkjet devices, tabbing machines and additional mailing and bindery equipment. This role is responsible for ensuring production is met through operation and maintenance of the equipment, managing production flow and achieving set production goals.

Experience with running a Sitma Polybagger Machine or a Superjet envelope press would be an asset.

Experience:

- Minimum 2 years related experience operating equipment

Abilities:

- Attention to detail and high quality output

- Mechanical aptitude
- Service oriented
- Able to meet deadlines and work under pressure
- Enjoys working as part of a team and independently
- Basic computer skills
- Strong problem solving & decision making skills
